Each year, the Santa Fe Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These exceptional companies help make the Santa Fe area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Santa Fe Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Santa Fe Award Program and data provided by third parties.
